Description of Project

### SECTION D: DECLARATION AND RESPONSIBILITIES OF THE PERMIT HOLDER

The applicant hereby agrees:

- (a) that this is an application only, no work can commence until a permit is issued.
- (b) that the Permit granted under the terms of this application is automatically cancelled if the applicant fails to conform with any By-laws or Regulations relevant to this application or deviates from the terms of this application.
- (c) neither the issuance of this building permit nor the approval of plans or specifications, shall relieve the owner from full compliance with the Building Code and applicable Provincial Regulations and By-laws.
- (d) that once constructed, the applicant agrees to use the structure for the sole purposes indicated in the preceding application.
- (e) to contact KingsRSC:
  - at least 48 hours notice to the Building Inspector of your intention to start the work authorized by the Permit
  - at least 24 hours notice for a pre-pour inspection of an Insulated Concrete Form (ICF) foundation
  - at least 24 hours notice to the Building Inspector of any backfilling of the excavation
  - at least 24 hours notice for pre-dry wall inspection in a residence
  - Notice of completion of the work described in the Permit to the Building Inspector within 10 days of such completion

I have read and accept the terms above.
